Press Kit Guide

For journalists, event organisers, churches, ministries and promoters

Everything in this kit is approved for coverage and promotion of Adom Kiki, his music, Adom Kiki Global Ministries and The Worshipper's Heart. This guide explains what is inside and how to use it well.

01 What is inside

00-START-HERE	This guide (PDF) and a plain-text README.
01-ARTIST-BIOGRAPHIES	Short, standard and extended biographies: a designed PDF for reading and a plain-text file for copying into programmes and scripts.
02-OFFICIAL-PHOTOGRAPHS	Eight official portraits and award photographs (JPG, full resolution). See the contact sheet overleaf.
03-BRAND-ASSETS	Adom Kiki Global Ministries logos in SVG and PNG, with usage notes.
04-MUSIC-AND-DISCOGRAPHY	Artwork for all nine releases and the artist fact sheet: discography, recognition, The Worshipper's Heart editions, channels and press coverage.

02 Using the materials

Please do

- Use the biography length that fits your space.
- Write song titles exactly: *Nyame Aboa Me*, *Gratitude*, *Gyatabruwaa* (feat. Joe Mettle), *Dynamis The Mix*, *Asafo Yehowa* (feat. Joe Mettle), *Doxa Medley*, *Anka Mɛyɛ Dɛn?*, *My Redeemer*, *Mesom Wo*.
- Use the white logo on dark or photographic backgrounds, and the ink or blue-and-ink logo on light backgrounds.
- Keep clear space around the logo equal to the height of the ADOM KIKI capitals.
- Ask the team for the correct photographer credit before publication.

Please don't

- Change facts, titles or award names in the biographies.
- Crop photographs in a way that distorts them, or place text over faces.
- Recolour, stretch or rearrange the logo. Minimum width: 120 px (full logo), 40 px (monogram).
- Use photographs or artwork to suggest endorsement of other products or causes.
- Use release artwork for anything other than coverage of that release.
